Hey, hey, hey, hey, hey, hey, yeah, yeah, ah
Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey, hey

You're playin' with my thunder
Heavens knows I sometimes wonder who you are
You're so sweet but on the street
Who do you meet when we're apart?

I see trouble rollin' off you like rain
But I look up and I see lightning again

Between the lies and rumours, there's a world of
mystery
Baby but I believe in you, do you believe in me? Hey

I fell in love with danger, now I'm going
Through all these changes by myself, ooh
You're too cool to play by the rules
But I can't fool with someone else

People saying things I don't wanna hear
But something tells me we've got nothing to fear

Between the lies and rumours, there's a world of
mystery
Baby but I believe in you, do you believe in me?

Too many heartaches, too little love
So many reasons for breaking us up
We've got something nobody knows
We got it good, you know I can't let it go

With all the lies and rumours, sometimes you gotta roll
the dice
But I believe in you and your cool blue eyes, baby

Between the lies and rumours, there's a world of
mystery
Baby but I believe in you, do you believe in me? Hey

La la, la la, hey, hey, hey, hey, hey, hey
La la, la la, hey, hey, hey, hey, hey, hey

La la, la la, hey, hey, hey, hey, hey, hey
