Lightning in a bottle  
Fish in the stream  
You in all your glory's  
What I need

You got a gambler's grin  
In the glow of the match  
Hard as steel  
And as soft as ash

Oh no...Tell me are you really like a sparrow in a  
hurricane

It's like lightning in a bottle  
Fish on the line  
Tell me a story  
Read my mind

I don't want  
Waste my time  
Tell me will it be your world  
Or will it be mine, mine, mine

Oh no...Tell me are you ready like a sparrow in a  
hurricane  
Whoa no...Are you prepared for a walk in the naked rain

Chorus:  
I would crawl, you know, you know I'd swim  
I'd climb a mountain baby, I'd dive right in  
Do the monkey, do the fly  
Take a chance on comin' back for another life  
One more time

Verse III:  
It's like lightning in a bottle  
Fish in a stream  
You in all your glory's  
What I need

Dogs are in the field  
Moon floats on the lake  
This is all too good

To be a big mistake

Chorus:

Solo:

Oh no...Tell me are you ready like a sparrow in a  
hurricane

Whoa no...Are you prepared for a walk in the naked rain

Chorus:

I would crawl, you know I'd swim

I'd climb a mountain baby, I'd dive right in

Do the monkey, do the fly

Take a chance on comin' back for another life

One more time

One more time
