Why do I feel like I'm losing you?
Will it ever become what I've always wanted it to?
You tell me I'm the lucky one, how can you say that?
When it breaks my heart to see another woman with
you

Oh lover of mine, oh lover of mine
When it hurts so bad, I wanna hold you in my arms
Make me feel like you wanna be a lover of mine

After we've said all there is to say
Am I still in your heart or am I just in your way?
My desire for you is running wild, jealousy, dangerous
kind
When I see you looking at another woman that way

Oh lover of mine, oh lover of mine
When it hurts so bad, I wanna hold you in my arms
Make me feel like you wanna be a lover of mine

Please set me free or give me a reason
For trying to keep it alive
There is no need for us to be lonely
Give me some kind of hope, I'm walking a fine line

Oh lover of mine, oh lover of mine
When it hurts so bad, I wanna hold you in my arms
Make me feel like you wanna be a lover of mine

Make me feel like you wanna be a lover of mine
Make me feel like you wanna be a lover of mine
