Life leads the thoughtful woman
On a path of many findings
Finding her own companion
From a cast of many thousands

Well, for you my love, my melancholy love
Whoa, you pour like rain, pours like rain

Winged thoughts echo freely
In words as strong as diamonds
I may not be your lover
But I'm a shoulder you can cry on

Can't you take a walk with me
Down into the sea, come on
Come on, come on, come on

Mother nature, come on mother nature
Taste as sweet as wine, sweet as wine
Like Tahitian orchids baby
Mother nature's fine, ha

Woo, yeah, yeah, yeah
Mother nature tastes so fine

When two people love each other
Ain't no stoppin' mother nature
'Cause she tastes so fine
Like mama's wine

Oh, mother nature baby
Come on Tahitian orchids sweetly
Makin' love so fine
Mother nature, mother nature
Mother nature tastes so fine

For you my love, my melancholy love
Whoa, pours like mother nature, yeah, yeah
Aw, come on mother nature baby

Oh baby, tastes so fine
I'm gonna drink up all my wine

Ooh, mother nature tastes so fine

Whoa, for you my love, my melancholy love
Whoa, pours like mother nature [Incomprehensible],
yeah
Come on mother nature baby

Whoa, [Incomprehensible]
Baby, come on, come on
Come on, come on, come on
Mother nature tastes so fine

Sing it
Sing it
Sing it
