I'm in the prime of my life, I feel like a kid  
One of these days it'll all catch up  
But I'd rather fight than quit  
In the Prime of my life, something's gotta give  
Even if it kills, I won't give up  
Kill the kill joy... Live!

There's a big hole in my heart, where all the money  
used to be  
If love's a crime, I've done my time as far as I  
can see  
I'd trade in all the bullshit, even if I lose...  
For all the rock and roll I've lived I've drunk a  
case of blues

I'm in the prime of my life, feel like a kid  
One of these days it'll all catch up  
But I'd rather fight than quit  
In the prime of my life, something's gotta give  
Even if it kills, I won't give up  
Kill the kill joy... Live!  
(deh I alannah I ana deh deh deh deh)

Life gives us a choice, we can laugh or we can cry  
I've been bending over backwards trying to walk a  
straight damn line  
I was borne a child of light, but the devil's been my  
friend  
Ain't nothin' gonna stop this woman from  
busting this dead end!

I'm in the prime of my life, I feel like a kid  
One of these days it'll all catch up  
But I'd rather fight than quit  
In the, Prime of my life, something's gotta give  
Even if it kills, I won't give up  
Kill the kill joy... Live!

What the hell's so wrong with coming undone  
It's too late to stop what's already begun  
So what the hell's so wrong with coming undone,  
Undone!

(deh nâ€™ I alannahâ€™ I ana deh deh deh deh)

Iâ€™ m in the prime of my life, feel like a kid  
One of these days itâ€™ ll all catch up, But Iâ€™ d  
rather fight than quit  
Iâ€™ m in the prime of my life, somethingâ€™ s gotta  
give  
One of these days itâ€™ ll all catch up but I only got one  
life to live  
Iâ€™ m in the prime of my life, prime of my life, Prime  
of my life,  
Feel like a kid, one of these days itâ€™ ll all catch up  
But Iâ€™ d rather fight than quit  
Prime of my life, something's gotta give,  
Even if it kills, I wonâ€™ t give up,  
Kill the kill joy, kill the kill joy, Live x 9
