He was Johnny on the spot he was red hot
Walked slow and smoked a lot
She was a jukebox junkie, hand on one hip
Great big eyes and bright red lips

I said, "Hey, yeah hey hey"
They eased on out to the center of the floor
Started dancin' like never before
She's spinnin' like crazy, crashin' into the crowd
On top of two tables, screamin' right out loud

I wanna rock this joint
(Rock this joint)
Hey, I wanna take this town
'Cause I lighten up when the sun goes down

I wanna rock this joint
(Rock this joint)
Hey, I wanna take this place
'Cause I wanna die with a smile on my face
Say, "Hey, hey hey hey"
I said, "Hey, hey hey hey"
(Ha, yeah)

Well the whole damn place
Spilled into the street
Climbin' on cars
High on the sheet

Up on the roof
Johnny jived with his date
Cops came by, it was far too late
I said, "Hey, ah hey"

When Johnny came to, his head was a mess
Woke up dreamin' 'bout a skin tight dress
Found a message at the end of his bed
With the words he can't get right out of his head

I wanna rock this joint
(Rock this joint)
I wanna take this town

'Cause I lighten up when the sun goes down
I wanna rock this joint
(Rock this joint)
You wanna shake this place
'Cause I wanna die with a smile on my face
Said, "Hey, hey hey hey"
I said, "Hey, hey hey hey"

Oh
I wanna rock this joint
(Rock this joint)
I wanna take this town
(Take this town)
I wanna rock this joint
(Rock this joint)
I wanna shake this place
(Shake this place)
'Cause I lighten up when the sun goes down
'Cause I wanna die with a smile on my face
I said, "Hey, hey hey hey"
(Aow)
I said, "Hey, hey hey hey"
(Fuck)

Hey, hey hey hey
Hey, hey hey hey
Hey, hey hey hey
