Sally go round the roses  
Sally go round the roses

The roses they can't hurt you  
I know the roses they can't hurt you

Sally don't you go, don't you go downtown  
Sally don't you go, don't you go downtown  
The saddest thing in the whole wide world  
Is to see your baby with another girl  
Sally don't you go, don't you go downtown  
4 bar solo

Sally go round the roses  
Sally go round the roses  
Sally go round the roses  
Sally go round the roses
