What is love if you don't have it  
It ain't enough when you have it  
Things get rough when it's a habit, what is love...  
What is love if you can break it  
What is love if you can't make it  
Falls apart when you forsake it, what is love...

What is love, what is love,  
If it takes so long to find  
If it makes you lose your mind x2  
What is love. Ha!  
What is love...

What is gain without the giving  
I go insane without you, living  
Is a shame if you can't forgive me, then what is  
love...  
What is love if you can break it  
What is love if you can't, make it  
Falls apart if you forsake it, what is love...

What is love, what is love, if it takes so long to find  
Ain't if it makes you lose your mind what is love...  
What is love, what is love, love is a heart that never  
lies  
When it opens your eyes... then it's love...

You cannot feed the hand that bites you, no, no,  
If you bite the hand that feeds you baby  
I'm the woman who needs you, take my hand, be  
my man...  
Don't ask me stupid questions, I don't wanna  
hear you mention,

What is love, what is love, if it takes so long  
If it makes you lose your mind then what is love...  
Oh, what is love, what is love, love is a heart that never  
lies  
When it opens your eyes...  
What is love, love, love, if it takes long to find  
Ain't if it makes you lose your mind what is love... oh  
What is love, love, love, it's a heart that never lies

When it opens your eyes  
What is love!
