from the southern part of california and be the soldier  
puffing ----- thinking of a way to run ----- my compouser  
fucked up since the age of 13 dreams of balling and be  
picture in magazine as life went on i kept on thuging  
breaking laws mugging muthafuckers serving robbery  
and j ho fuck you wannas when im screaming when im  
leaving ---- up 90 days added for acting up give a fuck  
is my mentality i keep on banging till they capture me  
my life is full of drugs and gang activity ----- to this day  
7 years after it seems the over i get the more i wanna  
cause disaster blasting muthefucker and it brings it  
any time then you people hear it when i sing in a ryme  
is 1999 so you know i gotta get paid west side homie  
fuck the bitch

x2

is 19 after 6 when i strike ----- i think im going crazy  
from the drug that i consume sooner then you think im  
knocking at your front door 92101 is when im  
screaming fuck the law.
