[Mr. Shadow]

I'm high, drunk, fucked up and then some  
Got your hoes telling me to undress 'em  
Ain't that a bitch, right in front of her man  
And she don't give a mad fuck about that ring on her  
hand  
It's 2002, what am I to do  
These hoes are under sur, I gotta stay true  
Ima fool, loc'd up, slow your roll up  
If your a hating ass trick I hope you show up  
For what, so I can take your hood rat  
And prove that she's lying when she says she don't do  
that  
Now who's that nut on top of your bitch  
On top of the game, still with an untouchable name  
Now let me tell you

[Chorus: 2x]

If your a hoe, then I'm a slut babe  
We fucking tonight, we fucking tonight

[Baby Beesh]

I'm fresh out the cut, it's the number one slut  
It's the trampasuars rex in a coke white dress  
All about his fedichini, it's Baby Basherenie  
Got the hoes at the club in G-string bikini  
Let em know, let em know, we ain't about fussin'  
You come to da party then it's all about trustin'  
Ohh my my, ohh hell yeah  
Baby fuck me down 'till I need a wheel chair  
Put something in the air  
Like some ass or some mota  
Now she wanna tattoo my name on her torta  
Hehehe, I'ma cold motherfucker  
Hook her to the left, bust a nut on the cover

[Chorus]

[Fingazz]

Engine, engine, number nine  
On the West Coast transit line  
If I bust a nut in your mouth

Drink it up, drink it up, drink it up

[Mr. Shadow]

You all ready now the get down  
Haters let me see you talk shit now  
I'm laughing out loud at you cowards in the crowds  
Cause you know that I was fucking in your bed  
With my dick in your bitch's mouth  
How you like the sound of that guppy  
It ain't my fault that your girl want to fuck me  
It wasn't me, no wait, I think it was  
Chiko got the pictures she took with me and E-Dub  
And she loves it, her and her cousin  
Whether she sober or buzzin'  
White Russians and a whole lotta weed  
From the 6-1-9 to the 2-1-3, ha

[Chorus 2x]
