You Don't Belong
Get out
And everyone knows the radio parade
Plays on

You slip in your hole
And watch the ladies save
The world
YouÂ're finally gone and you found a better way

Someday
YouÂ'll stay
Rain canÂ't stop the greatest day
She says
No way
IÂ'll miss the radio parade

Since youÂ've been gone
I found
You sink in your hole
And watch the latest rage
ItÂ's a kids show

Monkey will know the way
We all misbehave
ItÂ's a joke
On & On and youÂ've found another way

Some day
Any Day
At daybreak plan a great escape
One day
Get away
And join the radio parade

The early days in Photographs
Remind me of the time
When it was only us alone

Did you think that you could leave me
Run away and be the same
IÂ'll stop the clock

To watch you talk
And you don't need to rearrange the hype
Tonight
Just watch
The balls drop

Someday
You'll stay
Rain can't stop the greatest day
She says
No way
And join the radio parade

Some day
Any Day
At daybreak plan a great escape
One day
You'll get away
The rain can't stop a perfect day
