Schlepping our way through the desert
i'm a maniac from all the heat
i may be a vegetarian
but even i can crave the meat

Riding a donkey like Balaam
but me, i'm way more kind
i got me a desert princess
grabbing me from behind

WE'RE BONKEY ON THE DONKEY
ME AND ME LASS ON A JENNY-ASS
BONKEY ON THE DONKEY
DOING THE BONEY ONA STURDY PONY

schlepping our way through the desert
going crazy from the motion
i may be a holy man
but i'm beginning to feel the lotion

Ride a donkey like Zechariah
learning from all that he said
i got me a desert princess'grabbing on to my head

schlepping our way through the desert
lose my mind from sheer delight
just an aging hippy
keeping warm in the desert night

riding a donkey i'm a nomad
got no mortgage or rent
but i got me a desert princess
living here inside my tent
