Can you see me...cryin'?

Can you hear me...dyin'?

I wanna talk to you

Listen too

Do you know me like I know you?

Do you know me like I love you?

It's all the same

We'll be old friends...tryin'

'Till the road ends...flyin'

Listen to me sing to you

I got the music

I need the space

I'd like to use it to get out of this place

'Cause it's all the same

I got the miserables...help me

Don't seem sensible...tell me

I wanna talk to you

Listen too

Too many times I've swallowed my words

Is it a crime

To want to be heard?

If it's all the same
