There's a light on over my head, my Lord

There's a light on over my head, my Lord

Let it shine, let it shine

Although it may not be the only one

Let it shine, shine, shine

Although it may not be the only one

Let it shine, shine, shine

Although I may not be the only one.

There's a moon roof over my head, my Lord

And my Lincoln is still the best thing built by Ford

Let it roll, let it roll although it may not be the only one

Let me ride, ride, ride, ride, although I may not be the only one

I got religion in the airport, my Lord

They caught me waiting for my baggage when I was bored

Let them chant, let them chant

Although they may not be the only one

Let them dance, dance, dance

Although they may not be the only one
