I wanna be there when you say your first words. I wanna be there when you learn to walk. I wanna be there when every little thing happens to you. I wanna be there to give you comfort when you need it. I wanna, I wanna, I wanna always be there for you.

### CHORUS

I wanna be the one who will always love you, and treat with respect. I wanna be the one will teach you how to act. I wanna be the one you go to for help. I wanna be the, I wanna be the one who will hold you tight all through the night. And never let you out of my sight.

I wanna see you when youÂ're about go on your first date. I wanna see you when you are getting married. I wanna see you when youÂ're in Hollywood. I wanna see you forever in my eyes. I never loved someone, baby like IÂ'm lovinÂ' you.

### CHORUS

I wanna be the one who will always love you, and treat with respect. I wanna be the one will teach you how to act. I wanna be the one you go to for help. I wanna be the, I wanna be the one who will hold you tight all through the night. And never let you out of my sight.
