Verse 1

Hush little child don't you cry,
Let me sing you my lullaby
I promise this is not the end,
Come and see my only friend.

Interlude 1

You don't even know me,
So you cannot judge me,
I will settle for peace inside.

Verse 2 (shout)

Please, don't let me go,
I'm not ready,
Don't let me die here!

Interlude 2

Don't follow me,
I am not someone to trust.

Chorus

I live in fear of you,
What you gonna make me do,
The demons you release inside my head,
I find safety in my be.
(Safety) Save me from life again,
(Sleeping) you are my only friend,
(Darkness) Engulfs the light again,
(Fear of) reaching my end.

Solos

Chorus

Bass Solo

Interlude 3

Don't you wanna know,
Don't you wanna see,
When can I show you,

Come and rescue me.
Get away from me,
Why should I trust you,
You make me feel like this,
What I try to do.

Chorus

I live in fear of you,
What you gonna make me do,
The demons you release inside my head,
I find safety in my be.

(Safety) Save me from life again,
(Sleeping) you are my only friend,
(Darkness) Engulfs the light again,
(Fear of) reaching my end

(Safety) Save me from life again,
(Sleeping) you are my only friend,
(Darkness) Engulfs the light again,
(Fear of) reaching my end
