Ron:

Here I am face to face
with a situation
I never thought I'd ever see

Strange how a dress can take a mess
and make her nothing less than beautiful to me

it seems like my eyes have been transfigured
somet
hing deep inside has changed
they've been open wide, but hold that trigger
this could mean... danger

I'm falling in love, falling in love, falling in love
i could be falling in love, falling in love, falling in love
with Hermione Granger

Draco:

WHAT? What the hell is this?
You expect me to sing about her?
I don't care about her

It's just a litte makeup
Draco, wake up
I'm mistaken

She-- is the HOTTEST grl i've ever seen
now-- because she's like a girl i've never seen
don't know why i'd ever be so mean
this could mean... danger

I'm falling in love, falling in love, falling in love
I could be falling in love, falling in love, falling in love
with Hermione Granger.

Malfoy & Ron:
I wanna let her know

Malfoy:
I feel so queezy

Malfoy & Ron:
but i can't let it show

Ron:
She'd laugh poor Weasley
C'mon Ron

Draco: DRACO!

Ron & Malfoy: You gotta let it go, you gotta let it go

Malfoy:
WHAT? WHAT THE HELL IS THIS? I want to sing about
her
sing about her
I want to make up
Granger, wake up
I've been mistaken

She-- is the hottest girl i've ever seen
now-- because she's like a girl I've never seen
don't know why i'd ever be so mean
this could mean DANGER!

Ron:
