Ginny:

I've been alone  
Surrounded by darkness  
And I've seen how heartless  
The world can be  
And I've seen you cryin'  
Felt like it's hopeless  
I'll always do my best  
To make you see

That, Harry you're not alone  
'Cuz you're here with me  
And nothin's ever gonna bring us down  
'Cuz nothin' can keep me from lovin' you  
And you know it's true  
It don't matter what'll come to be  
Our love is all we need  
To make it through

Ginny:

Now I know it ain't easy

Harry:

No it ain't easy

Ginny:

But it ain't hard trying

Harry:

It's so hard trying

Ginny:

Everytime I see you smilin'  
And I feel you so close to me

Together:

Tell me

'Cuz baby you're not alone  
'Cuz you're here with me  
And nothin's ever gonna bring us down  
'Cuz nothing can keep me from lovin you

And you know it's true  
It don't matter what'll come to be  
Our love is all we need  
To make it through

Harry:  
Well I still have troubles  
I trip and stumble  
Tryin to make sense of things sometimes  
I look for reasons but I don't need 'em  
All I need is to look in your eyes  
And I realize

(Enter Ron & Hermione) (Dialogue)

Ron: Hey, Harry!

Harry: You guys came back!

Harry, Ginny, Ron, & Hermione:  
'Cuz baby you're not alone  
'Cuz you're here with me  
And nothing's ever gonna take us down  
'Cuz nothin can keep me from lovin you  
And you know it's true  
'Cuz it don't matter what'll come to be  
Our love is all we need

Ron: To make

Hermione: To make

Ginny: To make

Harry: To make it

Together: Through
