[Intro - Skyzoo - talking] I write a little different I write a little different They say I write a little different Write a little different (let's go) [Verse 1 - Skyzoo] Uh, write more than they could listen to I jump down to dig a hole that they can listen through I'm numb now 'cause all along what I'm givin you is more than you imagined any ballpoint pen could do All and all minimal, I ain't roll a sleeve yet Breath of fresh air and I ain't breathe yet Third lap around and I ain't leave yet If I talk different or it come across different, all it is is just a reflex Pardon that, I expect 'em to miss a part of that Four car lane to explain where my margin at Four parts weighed and one part raw And even that's over the scale, take one part off Assumin you used to it, I ain't cut it the same I double back, recut it and then cut it again My hands dirty off the way that I waiter, we don't cater alike My blog anything that I write (let's go) [Chorus - Skyzoo] They say that I write a little different It's easier to get it if you tighten how you listen It's easier to get it if you tighten how you listen But hey, I understand they don't follow how I pen it (Go) They say that I write a little different It's easier to get it if you tighten how you listen It's easier to get it if you tighten how you listen But hey, I understand they don't follow how I pen it (Let's go) [Verse 2 - Skyzoo] Every hero got his theme music I made mine to coincide with how you see music Content mirrors whatever you be music Still up under the honor when I conceive music The first caller to call it and work morning to morning From off the start of his calling and took a lead to it And I'm only followin to follow through So if I'm knockin from the bottom then I'm by the roof Growth spurt probably, all they ever got from me is step stools that I threw down for them to follow me Next move, I move 'round for they apologies Opposite of hear me now, guess I'm out of reach I be on another note, hoverin above a quote Still only curt with the words that I ain't touch or wrote And they still couldn't corner me yet So I'm back on post like they bought me they check, ya heard? (let's go) [Chorus] ("go" used instead of "let's go") [Outro - Skyzoo - talking] Write a little different They say that I

write a little different Write a little different They say  
that I write a little different Penmanship motherfuckers  
[\*Scratches over Outro\*) "Born writer" "Born-b-b-born,  
born writer" "My mic check is life or death" "Born  
writer" "Born-born, born writer" "Skyzoo" "Born writer,  
for all of the born writers"
