[Music - Chuck, Chippe, Lyrics - Chuck]

Murder is on your mind  
Your life is worth the pain  
Standing tall in a world of  
Madness animosity  
Hatred, what you feel from inside  
Your heart is covered with filth  
This is what you want to seek  
From your peoples lives

Lust for the power  
Greed for money  
Steal there lives  
Stay in hell

Power, is just a battery  
Soon everything, break your policy  
Terminating your world of  
Supreme destinies  
Innocence, already dead inside of you  
For lust you take no prisoner  
This is just another game  
Invented you murderer

Lust for the power  
Greed for money  
Steal there lives  
Stay in hell

Son of evil  
You raped this land  
Marching with the devils  
Raising the flag of injustice  
Son of deception  
You play with every mind  
The language you speak it's always lies

Murder is on your mind  
Your life is worth the pain  
Standing tall in a world of  
Madness animosity

Hatred, what you feel from inside  
Your heart is covered with filth  
This is what you want to seek  
From your peoples lives

Lust for the power  
Greed for money  
Steal there lives  
Stay in hell

Time will come  
For you to fall  
Crucify your name  
To slay your soul
