[Music - Chippe, Fai, Lyrics - Chuck]

Born into darkness, raised by demons  
Through the streets of bloodshed  
And extermination  
Forced to fight in infantile age  
Summoned to war as a killing machine  
Got to face the battlefield  
A childhood nightmare that would never end

Lost my way  
My brains on fire  
I'm losing my soul  
Trapped inside a nightmare  
A prisoner of mayhem  
Born to darkness  
Propagate by demons  
To destroy my enemies

Years passed away, painting blood on walls  
No chance to see the future  
In total devastation  
Road to kill chosen before birth  
Shackled and caged, in a hopeless world  
Facing the enemies  
A dread nightmare that never ever leave

Lost my way  
My brains on fire  
I'm losing my soul  
Trapped inside a nightmare  
Encircled by fiends  
And bestial cruelty  
No adore only hate  
No path, just a lost  
A Prisoner of mayhem  
Born to darkness  
Propagate by demons  
To destroy my enemies

Lost my way  
My brains on fire

I'm losing my soul  
Trapped inside a nightmare  
A prisoner of mayhem  
Born to darkness  
Propagate by demons  
To destroy my enemies
