Ba ba ba ba ba...My life till now has been filled with
doubt here I am
because there's no other place I can go but I can see
you're a lot like
me so maybe you know somewhere people like us can
go where we won't get
kicked out cause we've got a lot to talk about after
years of research I
think I've figured it out: it's the little things that get you
down it's
the bigger things that you can't get around and it's way
too flat on the
middle ground but everything else is wide open so let's
go ba ba ba ba
ba together teacher please, don't be such a tease, give
me some kind of
sign not detention this time the things that we used to
do have been
turned into a zoo by people who say all the things we
used to say and if
we say them again then we're gonna sound just like
them after years of
remorse I've finally taken it in it's the little things that
get you
down it's the bigger things tthat you can't get around
and it's way too
flat on the middle ground but everything else is our
oyster, everything
else is a picnic, everything else is terrific so let's go ba
ba ba ba
ba...
