Questioningly her eyes looked at me  
And then she spoke  
Are you someone I used to know  
And weren't we lovers a long time ago?

Looked at her close  
Forced her into view  
Yes, I said, "You're a girl  
That I once may have knew?"

But I don't love you anymore  
Why do you want to talk to me for?  
You should have just let me walk by  
Memories make us cry

In the morning  
I'm at work on time  
My boss he tells me  
That I'm doing fine

When I'm going home  
Whiskey bottle, movie on TV  
Memories make me cry  
And I'm alone just me  
Just me, questioningly

But I don't love you anymore  
Why do you want to talk to me for?  
You should have just let me walk by  
Memories make us cry

Looked at her close  
Forced her into view  
Yes, I said, "You're a girl  
That I once may have knew?"

Questioningly her eyes looked at me  
And then she spoke  
Are you someone I used to know  
And weren't we lovers a long time ago?
