Our love was lost,  
But now we've found it,  
Our love was lost and hope was gone

Our love was lost,  
But now we've found it,  
and if you flash your heart  
I won't deny it  
I promise (I promise)

Your walls are up too cold to touch it,  
Your walls are up too high to climb

I know it's hard but I can still hear it beating,  
So if you flash you heart,  
I won't mistreat it  
I promise (I promise)

I promise  
Our love was lost in the rubble are all things that  
you've,  
you've been dreaming of  
Keep me in mind when you're ready  
I am here to take you every time

Oh our love was lost lost, lost, lost, lost  
Our love was lost but now it's found
