Hey... I wanna Real Man
Oooooo....I wanna Real Man

I wanna a real man thats always their for me,,
A real man that aint scared to spend on me,,
I wanna a real man who treats me like a Beauty queen
that's real enough to be with me and satisfy my every
need. Repeat(2)

I wanna real man on sprees, always rockin white tee's

With the new Evisu jeans, cutlass lookin so clean

Stays with them 23's, walkin with a gangsta lean

With them diamond ear rings, mane I swear he so
clean

Dang this dude is right for me, and he's just the type
I need

I wanna be his wifey, and he know how to handle me

Got the 15's in the back, ridin chevy all black

With the silver grill, mane he flexin so much steel

I wanna real man: that's always there for me

A real man: that ain't scared to spend on me

i wanna real man: who treats me like a beauty queen
that's
real enough to be with me and satisfy my every need
(Repeat)

He got a classic Malibu, sittin on them 22's

And he's got the tv's too, just for entertainin you
Plus he knows just what to do, when it comes to spoiling
you

He always smellin good, like a real man should

Stay's with them Nike's on, I wanna call him on the phone

And let him know just how I feel, because this dude is oh so real

He's what I want, he what I need (Repeat) 2x

I wanna real man
I wanna real man: that's always there for me

A real man: that ain't scared to spend on me

A real man: who treats me like a beauty queen that's real enough to be with me and satisfy my every need
(Repeat)
He's what I've been waiting for, this feeling I can't ignore

Can't wait to be by his side, I swear I'm gonna ride

No matter what it takes I'll be here for you
No one will ever come before my real man

I wanna real man: that's always there for me

A real man: that ain't scared to spend on me

A real man: who treats me like a beauty queen that's real enough to be with me and satisfy my every need
(Repeat)

I wanna real (repeat 4x)
