Come here daddy, you drive me crazy
Don't want nobody, but you my baby
Hold me tight, and call me your lady
Make me scream your name
Come here daddy, you drive me crazy
Don't want nobody, but you my baby

Hold me tight, and call me your lady
Make me scream your name
I took you out of Jacobs and Clusters
Busters they wanted to rush us
Love the way you sparkle when the sun touch ya
When you blush you turn blue, if the grade is right
You could light up the whole room, turn it day from
night
When the summertime is in, and the tops are down
With you around my neck we lock the whole block down
It took shortsleeve and a land, to understand
The reason they call you wife, everybody breathe
Independent in the sun, who can shine like you
And that platinum in the charm, who can blind like you
Direct reason why niggas do the crime they do
I use to snatch the necklace right off them reckless
fools
Just I was jealous that they was so next to you
So I devoted half my time to invest in you
The other half was spent on protecting you
Cause you belong to me
Now sing the song for me
(tanya)
mi nah have no change fi change
so want no nuttin strange,when mi ring up a guy n
