(Jovi)

The whole town talking bout
you and ur new girl
ur flying high now
in ur single world
but ur gonna need me
boy ur gonna need me
ur gonna need me darling
and it wont be long

(Vegas)

See it deh now a di same bag a talking thing mek mi

Two weeks pass a mi she no little squeezing
Yuh nuh si into our love life freezing
Yuh start hear she suh a me yuh stop pleasing
One month mi gone a new man yuh find, it look like she
yuh did have him long time
Now yuh atart accusing mii with words so unkind
A gwaan like she mi comitt the worst crime

When you leave and say goodbye
dont come back with tears in ur eyes
you had a good lover once
but you didnt know
but ur gonna need me
boy ur gonna need me
ur gonna need me darling
and it wont be long

Bye bye bye bye bye bye bye bye
Bye bye bye bye bye bye bye bye

The whole town talking bout
you and ur new girl
ur flying high now
in ur single world
but ur gonna need me

boy ur gonna need me
ur gonna need me darling
and it wont be long

But mi she really and truly girl mi a left yuh cause yuh
unruly
Big like a me yuh waan school me, mi a tell yuh little
girl yuh caan cool me
Yuh a walk and a talk bout she mi want yuh back
A laugh and a talk how mi new girl flap
A seh how mi leave yuh and gone to that
A sing song a who a ring off mio phone none stop

Talk if yuh talking I say you can keep on talking
I say let them talk if them talking I say you can keep on
talking

but ur gonna need me
boy ur gonna need me
ur gonna need me darling
and it wont be long

Bye bye bye bye bye bye bye bye

When you leave and say goodbye
dont come back with tears in ur eyes
you had a good lover once
but you didnt know
but ur gonna need me
boy ur gonna need me
ur gonna need me darling
and it wont be long

Talk if yuh talking I say you can keep on talking
I say let them talk if them talking I say you can keep on
talking
