We fell in love
On a day much like any others
(a special day)
And we were oh, so much in love
(so much in love)
We walked in the park
We kiss in the dark (ah...)

We're yet so young and free
(free...)
That the time passed by, we didn't know it
We just laugh, ohhh, how we love to laugh
We cuddled and then
We do it again (do it again)

I wanna say la, la, la, la
Ooh, I love you
La, la, la, la
La, la, la, la (oo-oo-oooh....)
La, la

And now that we are man and wife
We still live for one another
We make love, ohhh, how we love to love
A love of our time
Is yours and mine

I wanna say la, la, la, la
Ooh, I love you
La, la, la, la
La, la, la, la (la, la, la, la)
La, la (la, la, la, la, la, la)

La, la, la, la (ooh, ooh)
La, la, la, la (oo-oo-oooh, ooh)
La, la, la, la
La, la
