My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou

I heard your reason, why you're leavin', can't we talk it  
throu-ough  
Yeah-eah - I know I hurt ya, you hurt me too-oo  
It's crazy what people can do-oo-oo to each other  
When emotio-ions, start fillin' up inside your hea-eah  
It gets so complicated and he's so frustrated  
You forget to say the things that ought to be sai-ai-aid

My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou  
My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou

I'm not the school kid you fell in love with somewhere  
back in ti-ime  
You might have grown up, it's time to own up  
You've had your lovers and yes I've had mine  
But I love ya, I still want ya-a, there's so much that I can  
gi-ive  
If we were less demanding, a little more understanding  
Together we can find a better way-ay to li-ive

My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou

Got a simple, simple heart that truly loves you-ou  
And though we may have our problems darling  
We'll make it through, yes we will  
And as well, this simple heart of mine will always love  
you  
Don't ask me how I know-ow-ow-ow, I simply do

My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah

My simple heart will always love you-ou  
My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou  
My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart will always love you-ou  
My simple heart - my simple heart, yeah-yeah-yeah-  
yeah-eah  
My simple heart [f
