[Verse One]

YEAH! It's hard to imagine  
When she was passing, tasting her breath so minty.  
Cause you were my boy, and she was yo girl  
But she just kept on hinting  
We all started drinking I wasn't thinking  
But she just kept on scooting  
Closer to me and I wasn't seeing anything but her booty  
She cast a spell the loveliest smelling Secret Vicky was  
keeping  
I looked behind you, trying to find some help but you  
were just sleeping  
But then I thought maybe, nah, this crazy  
We need to take a time-out  
But she looks so good, k, maybe I should  
Oh well, who's gonna find out?

[Chorus]

I kissed your girl and she liked it  
I tasted her cherry chap stick  
Now yo girlfriend is on my dick  
I hope my girlfriend don't mind it  
It felt so wrong, it felt so right  
Don't mean I'm in love tonight  
I kissed your girl and she liked it  
She liked it, she liked it!

[Verse Two]

YEAH! The make out session  
Started progressing, things got hot and steamy  
We started undressing, I started sweating  
Shit, I thought you'd seen me  
There wasn't no slowing  
She started showing, I wasn't stopping now  
We fell to the flo' and I started growing  
Panties was dropping now  
Should I be trippin'?  
Maybe a little bit, but she wiggles it nice  
So I got a grip and she started dripping like her body  
was ice  
I kissed her lips then seen her lips and it was like they  
was identical

I know you're my boy but there was no choice  
She told me you never did it, so

[Chorus]

I licked your girl and she liked it  
I tasted her cherry chap stick  
Now yo girlfriend is on my dick  
I hope my girlfriend don't mind it  
It felt so wrong, it felt so right  
Don't mean I'm in love tonight  
I licked your girl and she liked it  
She liked it, she liked it!

[Verse Three]

Your girl is just so fine and beautiful  
Man, I just couldn't help it  
She kept on grindin on me  
And she got butt naked as soon as she felt it  
The couch, the bed, the floor,  
The chair, the shower, the kitchen was nice  
69 and missionary and picking her up  
From the back I was hitting it twice  
I'm feeling terrible that's why I'm telling you  
Cause you are my friend  
But to be completely honest,  
That shit was dope and I would do it again!

[Chorus]

I sexed your girl and she liked it  
I tasted her cherry chap stick  
Now yo girlfriend is on my dick  
I hope my girlfriend don't mind it  
It felt so wrong, it felt so right  
Don't mean I'm in love tonight  
I sexed your girl and she liked it  
She liked it, she liked it!
