Early in the morning
When the sun is shining
I wanna hear you talking,
I wanna see you smiling,
You are like a bird
In the sky,
Dancing through the day,
Flying through the night.

You are my precious diamond!
Each day I love you more.
No, I don't want to lose you
I don't want to lose you

The ocean of your eyes
Is deep and clear.
Your lips are sweet as honey,
I long to taste their flavor.
It's a miracle when you're around.
Your wings hover in heaven
Though your feet still touch the ground.

You are my precious diamond!
Each day I love you more.
No, I don't want to lose you
I don't want to lose you
Any more!
