VERSE ONE:

Two people, just meeting
Barely touching each other
Two spirits, greeting
Tryna carry each further

You are one
And I am another
We should be
One, inside each other

CHORUS:

You can see inside me
Will you come inside me
Do you wanna ride, inside my love

You can see inside me
Will you come inside me
Do you wanna ride, inside my love

My love (6x)

VERSE TWO:

Two strangers, not strangers
Only lacking the knowing
So willing, feeling
Infinite growing

While we're here
The whole world is turning
We should be
One, fulfilling the yearning

CHORUS:

You can see inside me
Will you come inside me
Do you wanna ride, inside my love

You can see inside me
Will you come inside me
Do you wanna ride, inside my love

You can see inside me
Will you come inside me
Do you wanna ride, inside my love

BRIDGE:

Say that you'll ride
Inside this love with me
Come ride
Inside this love with me

(repeat chorus until end)
