I see the skies are blue
I see rivers fall into the sea
I see the mountains high
It's in my memory
Old house on the beach
Reflection of the moonlight in the sea
It seems that we have found eternity

How could we say goodbye?
Please never ask me why

Treasure of our lives
How did we let it go?
It only makes me cry
â€ˆCause I now where we belong

Do you hear my song?
Flying like a snow white dove
We can still find ourselves
In the summer of our love

A letter in my hand
A lock of precious blonde hair on the floor
I hear your voice again
You knocking at my door

Weâ€™re sitting by the fire
Remembering nice moments that we shared
You didn't change at all
And I'm so glad

That weâ€™ll never say goodbye
I know exactly why

The treasure of our lives
Why did we let it go?

It only makes me smile
Cause I now where we belong
Do you hear my song?
Flying like a snow white dove
We can still find ourselves

In the summer of our love
