What an amazing place for life under the bright blue
sky
I catch the colored ball, enjoying game
I've asked the children what is sadness, but they don't
know what it is
I look and I just don't know what to say

Please don't let Mister Mammono steal from you the
light of tomorrow,
You know, yeah!
He'll bring you nothing but trouble.
Follow him - your life will crumble.
I'm sure!
Keep your wings up high!
Your life should be a sunny meadow, full of light, no
place for shadow, it's so?
Stay on the sunny side of life!

I built my castle in the sand but when the night was
through,
The sea had washed my diligence away.
But when the castle of your dreams is built upon the
stone of truth, you can be
sure that you don't have to be afraid!

Please don't let Mister Mmmono steal from you the light
of tomorrow
You know, yeah!!!
He'll bring you nothing but trouble.
Follow him - your life will crumble.
I'm sure.
Keep your wings up high!!!
Your life should be a sunny meadow, full of light, no
place for
shadow, it's so
Stay on the sunny side of life!
