[Verse 1]

I never imagined I feel this way
Hopeless and lost alone in my pain
I've tried to get by on my own
Now I know I was wrong, I was wrong

[Chorus:]

Here I am please take this heart
Lord I need all that you are
Capture me now let Your mercy reign down
I'm waiting for just one touch of Your hand
Here I am

[Verse 2]

Can you mend what I've broken
Give back what I've lost
Heal and restore these wounds and these scars
Lord I am honestly desperately trusting in you
I'm trusting in you

[Repeat Chorus]

[Verse 3]

Lord bring me back again
Oh Lord I need your love
There's nowhere else to turn
I've got nowhere else to run

[Repeat Chorus - to end of song]
