[Verse 1:]

The time has come for you to realize
that you can trust me, 'cause you know I will provide.
I'll never leave you, I'll never leave you alone,
that's why my child you must hold on

[Chorus:]

Im in your corner (yeah yeah)
I hear you when you call (hear you when)
Im in your corner (and i catch you when)
Catch you when you fall (yeah yeah)
Im in your corner (Oh yes i will)
See you through it all (im in your corner)
Im in your corner through it all

[Verse 2:]

Oh my child, I heard you when you called
and though you fail, I was there through it all.
Tests and trials come to make you strong
Thats why my child, you must hold on

[Chorus:]

Im in your corner (yeah yeah I will be there)
Hear you when you call (hear you when)
Im in your corner (and i catch you when)

Catch you when you fall (yes i will)
Im in your corner (I will be there)
See you through it all (hold on)
Im in your corner through it all (oooo i will)
[repeat chorus]

[Bridge:]

I hear you everytime you call (everytime you call) (and i
will be there)
Be there to catch you when you fall (catch you when
you fall)

[2nd Bridge]
