Step Aside

Hold on don't give up
Don't you worry you don't have to cry
God sees, He sees what you're going through
God is willing and He's able
This didn't catch Him by surprise
So if you would trust Him and just step, step aside

And be still; don't question it
For these obstacles they were allowed
And know he wants to take you
Take you higher, higher you just hold on....
And know my God is willing; and he's able
This didn't catch Him by surprise
So if we would trust Him and just step, step, step aside

Ohh! He is faithful.
My God is faithful to do what He said He would do
And if He said it I believe it
There is nothing He can't do

If you stand on His Word
Cast your cares on Him
For He knows and He loves you
He did it for me and I thank Him

If you would step, oh if you step aside
And get out of his way
My God will work in your behalf; yes, he will

If you step, step

My God will do exceedingly and abundantly
of everything you can ask.

If you step...oh, if you step aside
and lean not to your own understanding
My God will work, he'll work in your behalf

If you get out of his way
And lean on Jesus

Just cast all your cares on him
My God will, he'll work it out; yes, he will

If you get out of his way
and lean on him
If you make one step, God will make two
There is no secret what he can do
If you step, step, step, ohhhh...ohhh, woo

If you watch God Work
You can't fix it on your own
You're not strong enough
If you lean on Jesus

Trust Jesus,
You tried everything else, you tried everything,
everything else
Try Jesus, try Jesus, try Jesus, try Him
And step, step, step...Step Aside.
