"You Deserve My Praise"

For all that U have done, you deserve my praise
Victories you have won, you deserve my praise
Because I am free, you deserve my praise
For blessing me lord, you deserve my praise

When I think of the goodness of Jesus and all he has
done
my soul cries hallelujah! Lord you are the one that
deserves all my praise (vamp)
For protecting me, you deserve my praise, for watching
over me lord, you deserve my praise
For healing my body, you deserve my praise, for
keeping me lord, you deserve my praise
back to vamp
I lift my hands open my mouth
I'll bless your name you deserve my praise
