[Track #1]

Busted

Bleeding

Nothing to believe in

I've taken just as much as I'm gonna take

Stood up

Knocked down

Had enough of this town

When midnight comes we'll make this prison shake

(chorus)

Don't you make a sound

'til the lights go down

Wild on the run

Wild on the run

Look out

Don't slow down

Run before we're found out

This ain't no fairy tale, no perfect life

We got one chance

Don't stop

Jump across the rooftops

We'll close our eyes and dance away this life

(chorus)

Don't you make a sound

'til the lights go down

Wild on the run

Wild on the run

Anyplace you want to go

Only one way that we know

Rip a hole into this lonely night

Rip a hole into the night

Come on

(chorus)

Don't you make a sound

'til the lights go down

Wild on the run

Wild on the run

Busted

Bleeding

Stood up

Knocked down

I can't take it no more

I've been busted
Bleeding
Stood up
Knocked down, baby
Can't take it no more
