Chorus:

Saturday night, we're ready to fall in love
It's like a trail going straight to your heart
Saturday night, we're going to the heart of town
We won't go home until the breaking of dawn

Bridge:

I'm riding in the summer wind
I'm riding on my motorbike
I'm cruising on the boulevard
I'm cruising with my motorbike

Rap 1:

Don't you call me a macho man
This is a thing I don't understand
Don't you call me a womanizer
I am just a little bit wiser
But riding on my motorbike
Is a thing I really like
And I'm going straight to town
Looking for some girls that hang around
Hang around

Chorus

Bridge

Rap 2:

Cruising up and down the road
I'm looking for some extra load
Just have a look on my machine
Something you have never seen
Won't you join me on a ride
Be my love and be my pride
Come on, let's have some fun tonight
Rub a dub a dub - it is alright
It is alright

Saturday night

Saturday night

We won't go home until the breaking of dawn

Chorus
