When the night has come  
When the night has come  
And the land is dark,  
When the night has come  
And the land is dark,  
When the moon is the only light  
When the moon is the only light  
We will see

When the night has come  
And the land is dark,  
And the moon is the only light  
We see

No I won't be afraid  
No I won't be afraid  
Just as long as you stand, stand by me

And Darling Darling Stand By Me  
Come on and stand By Me  
Just as long you stand by me stand by me

If the sky that we look upon,  
Should tumble and fall  
Or the mountain should crumble into the sea  
I won't cry, I won't cry  
No I won't shed a tear  
Just as long as you stand  
Stand by me

And Darling Darling stand by me  
Oh Stand by me Oh Stand now stand by me  
Just as long as you stand, stand by me  
Just as long as you stand, stand by me

Oh Stand by me

Just as long as you stand, stand by me

And Darling Darling stand by me  
Oh Stand by me Oh Stand now stand by me  
Just as long as you stand, stand by me

Just as long as you stand, stand by me
