Hmm...mmm...yeah... (Come on, uh)

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah,  
yeah, yeah, yeah

Show me why Paid & Live ain't your average click

[Live]

Could it be that dude he DKNY  
As I see his majesty's ebony eyes  
His clear complexion got me open wide  
I'm sayin', "Come on, girl, roll with the ride"  
Allow me to introduce to utilize  
You need a vibe, I could tell through the eyes  
If you decide you wanna roll with the real money  
Live, keep it goin', flowin', you know that we go  
It's all for the dough and the love for my people  
N'I mean, come on we could blow this scene  
We the types to make the nigga wanna drop his team  
We could force the A/C and let me sack this cream  
Cruisin' the Garden State as we conversate  
About big time livin' so we both relate  
Keepin' it real, honey, if you ain't the one, I can't tell  
Sincerely yours, protection, A-N-G-E-L

[Lauryn Hill - repeat 1 in the background]

All my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See, all my time

It could be spent wit' you  
So what you gonna do  
Make sure your game is true

[Lauryn Hill {Live}]

Well, could it be the dude he's Cartier, I swear  
There's stares, especially smooth as Syndey Portier  
Clean cut and dapper, seems he's straight and narrow  
Tinglin' the bone marrow, team the almighty apparel  
But I ain't that aggressive, instead I act suggestive  
Bat my eye lashes right through the sunglasses  
Sound perfectly with the classic under my dark glasses  
I'm mouthin' all the words to Blue Magic  
(You must have put a spell on my mind)  
With all due respect till you 'pproached it  
Hand off a the roach clip as I respectfully decline to  
smoke it  
Roll get the ice, his demeanor was nice  
He tried to freak it to my mental, word  
{Hey, yo', it was an accidental}  
Yo', his talk was slick, my resume is kinda thick  
{So let's blow this scene, girl, and check this flick}  
And show me why Paid & Live ain't your average click  
{Recognize Paid & Live 'bout to lock this shit}

[Lauryn Hill - repeat 1 in the background]

All my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true

[Lauryn Hill]

Yeah, yeah, I know you got a car, but we should keep it  
in the lot  
I got a urge to ride the train and do some walkin' in the  
rain  
It sounds the same, but meditate it for the brain  
Plus I like to get to see if you as crazy as you claim

[Live]

Dope blown, like iceberg, slim and down goin's  
Uncut, it's all raw, dog, hit me off  
Paid & Live, baby girl, I'm sayin' this connection  
Be in through your burrow, territory in section, true  
I come correct in all my agenda  
Trump jewels, top gear, and Willie Wear linens  
No question, I'll show you affection

As I proceed to lead your direction

[Lauryn Hill]

Well, these procedures that you agree to  
I'm gonna need to know a little bit more about yourself  
and family  
Well, who's Paid and who's Live, where you live, what  
you drive  
Never did a homicide let our molecules collide  
And time will tell if you can endure with Nell  
If you tryin' to knock it down then I'm not the type of girl  
My mind's a pearl, and I done been around the world  
But if you righteous, I might just let you spend the night  
and  
Tuck me in real tight and watch the fight with Tyson  
Kiss me on my cheek  
I got the type of shit to make a nigga fight for weeks  
Never mess with geeks  
Well, mister Live I've decided that I like you  
And if you try to get to know me better I won't fight you

[Lauryn Hill - repeat 1 in the background]

All my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true

See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See all my time

[Lauryn Hill - repeat 1 in the background]

What Naw, ain't nobody about wastin' my time  
It's like  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah,  
yeah, yeah, yeah  
Show me why Paid & Live ain't your average click

[Lauryn Hill - repeat 1 in the background]

See, all my time  
It could be spent wit' you

So what you gonna do  
Make sure your game is true  
See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true

See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true  
See, all my time  
It could be spent wit' you  
So what you gonna do  
Make sure your game is true
