[Intro - Timbaland]

One time \*freak freaky\* uh uhm  
Two time \*ah two\* uh uhm  
Three time \*uh uh\* uh uhm  
\*freaky\* four times \*freaky\* Ms. Jade

[Verse 1 - Ms. Jade (Ms. Jade singing)]

Ain't no other girl girl  
Rub it in for the whole world world  
Make it my du-ty  
Try'n show off thinkin they can move me  
(Here we go again) one time  
(Never take me off my grind)  
And I do it true true  
Do me is my number one rule rule  
Look I'm grown grown  
Haters I'm leavin 'em long gone gone  
Got 'em with they (hands up high)  
Twisted at the bar I'm feelin (all right)  
Show 'em (what they need to ride)  
Dancin til they feet hurtin (all night)  
Cause I stack cheese cheese  
I'm whatever it's gonna be be  
Uh, and it's all to the good  
Never been Hollywood cause I stand for the hood  
Its a different (day now)  
Watch how I'm makin the game (break down)  
See me doin it it  
I'm bout as good as it's gonna get get  
Uh, Philly chick get it down  
If the flood is comin I promise I ain't gon' drown  
Make the music (move you)  
Timb's hittin you crazy so you can (groove to)  
Uh Beat Club on the rise  
And I got got g-got my eyes on the prize

[Chorus - Ms. Jade & Timbaland]

Get your big head on the floor  
(get your big head on the floor)  
You ain't ever seen me move like this  
Get your big head on the floor

(get your big head on the floor)  
You ain't ever seen me groove like this  
Get your big head on the floor  
(get your big head on the floor)  
You ain't ever seen me move like this  
Get your big head on the floor  
(get your big head on the floor)  
You ain't ever seen me groove like this

[Verse 2 - Ms. Jade (Ms. Jade singing)]  
We done did it now now  
Why don't you put your money on me now now  
Make you feel free free  
You ain't even on the same league league  
From the sky to (house parties)  
Sippin martinis under the (palm trees)  
You can light it up up  
Sick ceiling leave niggas thugs thugs  
What's really goin on on  
Partyin to the break of dawn dawn  
Uh, switchin lanes in the truck  
And we know it's gonna catch up but we still gettin  
drunk  
Lets get (rooms for the night)  
This a Timb trick so you (know it's tight)  
Uh, stackin the ching ching  
And it's obvious I'm gonna get a little vibrant thing  
Tear the floor (up in the club)  
Rappers (?) with (chicks and the thugs)  
Move, from the bottom to the top  
Got ya self a gun and get prepared for the glock  
Uh, and it's all to the love  
Twist up your drink get your drink for your mugs  
Uh, and it's all to the love  
Twist up your drinks get your drinks for your buzz

[Chorus x2]

[Phone Rings]  
[Timbo:] Yo Jade  
[Jade:] Yoo  
[Timbo:] Yo I feel like there's a lot of big head people  
out there  
[Timbo:] That really don't understand why you are what  
you are  
[Timbo:] See what im sayin? let em know about you,  
you ready to do that?  
[Jade:] I think I'm ready to do that, I'm ready

[Beat switches to Champion]

[Ms. Jade + People yelling]  
Jade the champ!

Big dreams and hurt feelins call me (Jade the champ!)  
I put the weight on my shoulders where other bitchles  
slack (Jade the champ!)  
Who else you know could breathe life into a murdered  
track (Jade the champ!)  
I done seen what y'all can do, nevermind that (Jade the  
champ)  
Like to mix old with the new like a Philly throwback (Jade  
the champ)  
Take your best shots I promise I'ma throw back (Jade  
the champ)  
We can take it back to the days of the cadillac (Jade  
the champ)  
Jumps out and handle that heat, candle melt your wax  
(Jade the champ)  
Maybes and matter facts that's ms jade the fuckin  
champ (Jade the champ)  
Play the lower kid you softly like roberta flack (?) (Jade  
the champ)  
And then they, and then they mad cause I'm statin  
facts (Jade the champ)  
And then they, and then they hate when i pop the cap  
(Jade the champ)  
That old nursery rhymin this shit ain't about that(Jade  
the champ)  
My flow a mix between 180 proof and six packs (Jade  
the champ)  
Spit circles see if you can get around see if you can get  
back (Jade the champ)  
Before you jump best know exactly who you gettin at  
(Jade the champ)

[Chorus]  
[Jade singing:]  
Champion once the people call my name  
[People yelling:]  
Jade the champ!  
[Jade singing:]  
Champion once the people call my name  
[People yelling:]  
Jade the champ!
