It's dat bad black British bigger beats bitch
From Brixton to Beanu the streets get switched
She said, hard lips ching, we don't want shit no
Singing a flow and it started a tempo

Sharper dan a razor, when you walkin' my way
Gonna fuck you up caught you up in the style
When I'm wise and my style, slit your wrist
Suicide, with my fists and my tounge comes like a knife

Meana-mee-za, meana-mee-za, and it's my trick
To six foot deeper dan da concrete
Comin' misty but like Shaggy, it wasn't me
It was my lyrical ability on trinity

My flem caught on billy so my lyrics are a flame
So my tounge comes in danger signs of deadly
So dey sayin' it's anotha explosion
But it won't really fussy, 'cuz I really 'em

And now you don't know that dynamite's deadly, I'm

Re-arrange your face like you was Jackson ta don

Haters wanna bind her and dawgs wanna grind her
Smart man stiff 'cuz dey ain't even fine
'Cuz dey kno I ain't called Dynamite for nuttin'

Everywhere I step, everywhere I turn
I see da haters they can't handle anything burnt
Everywhere I spin, everywhere I go
Jealously wanna my facet and they want try and steal
