I taste your smell
And I want see your shine
And I'm thinking
Don't know what I do
Then I'm taking just a pen
And write songs for you.

All the pictures on the wall
Seems to me like blinking eyes.
Seeing you - seeing me
I am seeing us together
At the pictures on the wall

I turned around
Because I heard your voice
And I'm searching
But I can't find you
Then I lay me on the bed
And I dream of you

All the pictures on the wall
Seems to me like blinking eyes.
Seeing you - seeing me
I am seeing us together
At the pictures on the wall

And when I dream
I hope you come to me
And I'm waiting
For a time with you
I am looking out the window
And my dream come true

Break

All the pictures on the wall
Seems to me like blinking eyes.
Seeing you - seeing me
I am seeing us together
At the pictures on the wall
