The newest clown  
He cries an old type of tears  
Watch them fall  
There they lie  
Crispy, ancient and they leak  
Formaldahyde  
Going  
Going I'm gone  
Go away  
Going  
His tears they sit  
Crusty, rusted in a box  
Inside a drawer  
Grandpa's news  
Fragile words are yellowed through  
Forever more  
Going  
Going I'm gone  
Go away  
Going  
Sadder than sad  
And she's feeling bad  
The monkey's the one who laughs last  
Hold me down  
Cut me loose when  
Nighttime falls  
And lifts away  
I'm a ball  
Bouncing off of a brick wall  
Into the day  
Going  
Going I'm gone  
Go away  
Going  
Gone  
I am gone I am gone  
Go away  
Going
