I feel  
So ashamed  
Of myself  
For myself  
i feel  
I know  
I'm not the best  
well screw the rest  
To incest  
i know  
I'm so alone in the darkness  
I can't feel a thing  
I through with all my daily whining  
And I can't bare to sing  
I'm done playing all the child games  
but don't ask me to stay  
I feel like I need someone  
Who don't want me to play  
I hope  
I find a better life  
With a wife  
Or a knife  
I hope  
I see  
Through yesterday  
In a haze  
Cold and dazed  
I see  
Chorus  
I don't care.....
