(Chorus)

Good for me, good for me
He's always doing something good for me
Good for me, Good for me
He always doing something good for me
I wake up in the morning see the bright
sunshine
New mercies I receive cause the Lord is kind
He brightens my day He's always making a
way
I love, I lift him, I praise him everyday
He's always doing something

(Chorus)

You see the Lord is my all and my everything
He's the center of my joy reason why I sing
He's passing out blessings we don't have
room for
And in spite of ourselves He keeps doing
more and more and more
I just call him, call him
He'll supply your every need
Your hungry soul he'll feed
I just call him, call him

He does me like no one could
I love him (lift him oh, yeah)
He's so, been so good

(Chorus)

I just call him, call him
He supply your every need
Your hungry soul he'll feed
I just call him, call him
He does me like no one could
I love him (lift him oh, yeah)
That is why we love you, we praise you
We lift you, adore you
You're worthy
Because you been so good
Glad that He's always
glad that he's always
Doing great things for me
He won't let you down

He won't let you down no
He won't let you down
