Listen here, listen here, listen here

I'll give all my praise to You
(You're the one who brought me through)
Through the storm and through the rain
(Healed the hurt and healed the pain)

You don't even have a clue
(What the Lord is bound to do)
When you put, your trust in Him
Let it all go

'Cause He's right there waiting for you to let it go
And if you didn't know now, you know
That He's always on time I
Let everybody know it's not the time to give up

So no matter what you're going through, going through
Just hold your head up high, keep pressin' for the prize
Cast on Him all of your cares, leave your burdens there

Listen
His burden, His yoke is easy
Everybody just listen
Just keep the faith, keep on leaning
Everybody just listen

It's not about people pleasing
Everybody just listen
It's all about serving Jesus

He's knocking at your door today
(Please don't turn Him away)
Give Him every part of you
(And your strength, He will renew)

Just one taste and you will see
(That the Lord is all you need)
Open up your heart and soul
Let it all go

Please don't turn Him away

'Cause He's right there waiting for you to let it go
And if you didn't know now, you know
That he's always on time

Let everybody know it's not the time to give up
No matter what you're going through
Just hold your head up high, keep pressin' for the prize
(Listen)
Cast on him all of your cares, leave your burdens there

Listen
His burden, his yoke is easy
Everybody just listen
Just keep the faith, keep on leaning
Everybody just listen

It's not about people pleasing
Everybody just listen
It's all about serving Jesus

Life is beautiful, life is good
Been around the world and never thought we could
Still doing shows, still rocking the stage
Never get confused with the one who gave it

He's the One
(Who will bring you through)
Yes, he will, yes, he will

Hey, listen, hey, listen
Hey

Listen
His burden, his yoke is easy
Everybody just listen
Just keep the faith, keep on leaning
Everybody just listen

It's not about people pleasing
Everybody just listen
It's all about serving Jesus

Listen here, listen here, listen here
