Ba da, ba ba, ching, ching, ching  
Ba da, ba ba ba, ching, ching  
What about the money that I spent up today?  
Ba da, ba ba, ching, ching, ching  
Ba da, ba ba ba, ching, ching  
What about the money that I spent up today?

Ba da, ba ba, ching, ching, ching  
Ba da, ba ba ba, ching, ching  
What about the money that I spent up today?  
Ba da, ba ba, ching, ching, ching  
Ba da, ba ba ba, ching, ching  
What about the money that I spent up today?

Tim took you from ghetto to class, how to hold your  
glass  
To Fendi's to bags, for holdin' your cash  
People was seein' you pass, like right through the  
drapes  
I brought you the private, ounce wit the gates

Thinkin' that stuff make me faint, just whistle real fast  
Cougars roll in the grass, same cat on your Jag  
Why your keepin' them tabs, and callin' me for  
It cost every minute and you know I'm on tour

And I'm deeply committed, although I'm forgettin'  
Sometimes while hittin' it ,different names would slip  
If I been wit a chick, check me miss  
Your complexion switched, honey you been on trips

But you don't appreciate this, till your back in the Jetta  
No iceberg you own, just Angelica's sweaters  
If the steaks ain't T-Bone, you ain't properly fed  
Hun tonight is bet burgers, no cheese on the bread  
And I say

What about my ching, ching, ching?  
What about my bling, bling ,bling?  
What about the money that I spent up today?  
What about his ching, ching, ching?  
What about his bling, bling, bling?

What about his money that I spent up today?

What about my ching, ching, ching?

What about my bling, bling, bling?

What about the money that I spent up today?

What about his ching, ching, ching?

What about his bling, bling, bling?

What about his money that I spent up today?

Boy you act like I need ya, came down wit amnesia  
Ran to y'all's in the meters, nuttin' but hate in between  
us

Now you come poppin' this shit, nigga I made you rich  
Introduce you to Cris, flipped and secured your bricks

Even though them kids ain't mine, let 'em call me mami  
I deserve them dollars, trip to the Bahamas and  
Porsche rotten

I washed your clothes, put up wit your hoes  
Never messed up yo dough, put the G in ya glow

So what you sweatin' me fo', I promoted them tours  
I was poppin' them fours, run in and outta them stores  
I cleaned up your spot, poured your brandy and scotch  
Razor blades to the rocks, even lied to the cops

Played your wife and your mother, cousin, sister and  
brother

Accountant lawyer and lover, I'm through dealin' wit  
suckers

Shuttin' and lockin' the door, bout to settle the score  
You wastin' my time, boy, but what about mine boy

What about your ching, ching, ching?

What about your bling, bling, bling?

So what you spent up all your money today?

What about your ching, ching, ching?

What about your bling, bling, bling?

So what you spent up all your money today?

What about your ching, ching, ching?

What about your bling, bling, bling?

So what you spent up all your money today?

What about your ching, ching, ching?

What about your bling, bling, bling?

So what you spent up all your money today?

Boy money ain't everything, married minus the ring  
Frequent Coach, mink, coats, cruises on ships and  
boats

I gave you way more, can't there 'bout all your bulls

Since day one it was ours it never was yours

Uh, look at the bigger picture, study the ghetto  
scripture  
Held your back when you was broke frontin' 'cuz now  
you richer  
No frontin' in that there, Ms. Jade is everywhere  
Enough talkin' I'm through, my lawyer will be callin' you

All this money that he's spendin', you owe me  
everything  
I wanna tell him it's not his money, he tell me to go  
away, baby  
Wish he'd only give me a chance to show him that I'm  
alive  
I'm gonna be there and you need peace and tender all  
up in his life  
Yeah, yeah, yeah

What about my ching, ching, ching?  
What about my bling, bling, bling?  
What about the money that I spent up today?  
What about my ching, ching, ching?  
What about my bling, bling, bling?  
What about the money that I spent up today?

What about my ching, ching, ching?  
What about my bling, bling, bling?  
What about the money that I spent up today?  
What about my ching, ching, ching?  
What about my bling, bling, bling?  
What about the money that I spent up today?
